

THE MASTER KEY COURSE™

We'd like to congratulate you for both your interest in, and taking an action to experience, The Master Key Course. Here is how we suggest you take the course:

- Start with lesson One. Download it. When you have read it every day for a week, answer the questions at the end.
- Put a dollar in an envelope addressed to The Master Key Course, along with your answers to that week's lesson questions, seal it and put it in a folder or drawer.
- Download the next lesson.

There is a certain energy in taking the course in this way, and mimics closely the original intent of the course.

This is a twenty-four-week course.

Below is a letter from Napoleon Hill (think and Grow Rich) which we hope will inspire you to take and finish the course.

To YOUR success.

April 21, 1919.
Mr. Charles F. Haanel,
St. Louis, Mo.

My dear Mr. Haanel:

You probably know, from the editorial in the January issue of the Golden Rule, copy of which my Secretary sent to you, that I began twenty-two years ago as a coal miner at a dollar a day.

I have just been retained by a ten million dollar corporation at a salary of \$105,200.00 a year, for a portion of my time only, it

having been agreed that I shall continue as editor of the Hill's Golden Rule.

I believe in giving credit where it is due, therefore I believe I ought to inform you that my present success and the success which has followed my work as President of the Napoleon Hill Institute is due largely to the principles laid down in The Master-Key System.

You are doing a good work by helping people to realize that nothing is impossible of accomplishment which a man can create in his imagination. Surely my own experience proves this.

I shall cooperate with you in getting your course into the hands of the many who so greatly need your message.

Cordially and sincerely,

Napoleon Hill,
Editor, The Golden Rule
Chicago, Illinois

Napoleon Hill created the Think and Grow Rich series and helped thousands of people worldwide based on the Master Key Course
